

OPERATION LOUD & CLEAR COMMENCES!!!

Unit Ordered to Invade Ike's Home in Gettysburg!

Orders coming in loud and clear from Adjutant Matt Carroll stating the 4th Cav is to invade Ike's home in Gettysburg PA on June 8th & 9th! "Any unit member not officially furloughed is expected to be there!" When asked what will happen to anyone who is AWOL, the Adjutant merely replied "Ever Heard of Pvt. Slovik?!?"

COMMANDERS DRINKING PROBLEM WORSENS!

Commander Lou Giannobile caught chugging a can of M-1 communion wine during Easter Day services at the Vatican after recent Sicily campaign. When asked about the incident Giannobile replied "I ain't drunk, I'm just drinking."

GERMAN RAW MATERIALS RUNNING LOW!

HAVE RESORTED to MAKING GUNS FROM BURLAP AND BRATWURST CASINGS!

Bombing campaigns on German factories are succeeding! As seen above - rifles being used to replenish the lines are made of burlap & bratwurst casings. Although German High Command admits the guns are not very lethal they sure do smell good when fired!
