

“YETI” ATTACKS ALLIES!

After securing the Eagles Nest and settling in for the night, the GO DEVILS found themselves under attack by what seemed like Satan himself! (Army artist's conception below)

Initially, Sentry's mistakenly ID'd the attacking force as PFC Karl "BunYON" Schute combing his mustache. This proved to be untrue as Schute was later found hiding in a .30 cal ammo can. Local tribesmen (known as 10th Crawfords) talk of the large bush like beast after ingesting mushroom tea - they call the beast "Yeti" a Germanic/Alpine term for "baker of twigs."

COMMANDER ORDERS TIGHTENED SECURITY AFTER MARINES FOUND "STALKING" U.S.O. PERFORMER/MOVIE STAR LANA TURNER!

Two unknown Marines were photo'd stalking USO Performer/Movie Star LANA TURNER within the 9th's CP. As a result of this Cmdr. Giannobile is making all his troops re-qualify in hand to hand combat, as well as learning the song "Don't Fence Me In"

SINGLE LANDING CRAFT DIVERTED TO CONNEAUT

Allied Command diverted one fully equipped LST (with landing craft) in support of OPERATION FUBAR - The Invasion of Conneaut! Tech. Sgt. Ima Punchinu of the 60th Regt., (above photo, 1st row, 2nd from left) - expert in hand to hand combat - part of the 1st wave. When asked to comment he merely replied "that'll cost ya!"

MAXIMUM EFFORT EVENT

- Wreaths Across America at noon or 12pm.
- Tours will be offered from 5pm to 9pm.

2015 EVENTS: The Council is developing some new & different events/venues for 2015! We have been contacted by several groups desiring to work with us! We are poised to make 2015 our best year yet – we have been recruiting quality soldiers to the ranks, and improving our personal & collective presentations as well. Let’s keeper goin’, getter’ done and HAVE SOME FUN in 2015!

FIG/GAP: There is a new regime in place; the event will be run by Joe D. and Cavalese. Looks like the Devil’s Den days are indeed over. If our friends have the “DRUNKEN MONKEY” perhaps we could consider working together?

GO DEVILS TO SET UP E.T.O. CAMP!

With Commander Giannobile’s recent acquisition of the Rhine River, and the fact that Sgt. Pucci has also struck a tent in the Rhineland – we are beginning to develop a base of support or operations out of the Easton, PA area.

This area is ripe with history and Easton itself is the festival capital of the world – when you have events like “Baconfest”, “Heritage Days”, and “Zombie Pub Crawls” you know we’ll fit in quite nicely.

Also note that “the Snow Leopard” is only a short P-51 hop from his airfield to Camp Saint Lou on the Rhine. Corp. Punishment (a.k.a. SAMI) is only about 15 miles away; he can be there in less than 2 hours when riding the Cushman Airborne flat out. The point being, we will be spreading our base of operations in 2015 in an effort to develop new and better venues as well as allowing us to reach more people!

GO DEVILS CAPTURE ENTIRE FLEET OF GERMAN AIRSHIPS!

Quick thinking on the part of PFC Karl Schute and Medic Logan “Lollipop” Cornug allowed the Allies to capture the remaining fleet of German Airships in one fell swoop. Schute tied Cornug to a rocket powered grapple hook, with his added height/elevation he was able to shoot the line (with Cornug attached to it) across the path of the Airships making a dash for open skies. As Cornug sailed by the enemy vessels he simply pierced each one with the sharpened end of a lollipop stick. Cornug later commented “the Germans are real suckers!”

Dispatch from Adjutant Matt Carroll, Matt Carroll, Matt Carroll:

The 10th Annual Historic Soldiers Weekend (September 27-28, 2014) set some new records as far as attendance at Fort Mott with over 4,000+ members of the public visiting the event over the weekend! The ninth ID had a GREAT turnout (seventeen members) and performed like a machine thanks to our CO and NCOs: Louis, Gary, Sean, Chris, Joe, Scott, Matt, Ron, Ben, Karl, Matt D., Shane H., Mark H., Logan, Ryan, Jake, Aaron Carver (New guy).

Louis worked himself to sleep Saturday, so at the Riverview, in order to keep from losing his hat and keys, he went into early hibernation.

UPWARD! We hosted one of the biggest crowds to date!

ONWARD! We had our band play at the local bar where the wait for a table was 60 minutes! They didn't even wait for 60 minutes to get their liquor license! The FUBARS crushed it! "Ok...but That will cost you a extra!"

FORWARD! For God's sakes FORWARD! Keep It Rollin' Boys! Soldiers Christmas is the 9th before the Ardennes Offensive! Give us a headcount...yooooo! There will be 3 new recruits at Christmas, so let's welcome them with a full turnout!

Looking ever forward! Easton is asking for a June Event, Egg Harbor was also a slam dunk this year and will be with us again in July 25, 2015!

MARCHING ORDERS *By Commander LOU GIANNOBILE*

I want to have a big meeting at my house after the Easton event in November; a lot of the unit will be there and it will be the best time to do it. Bring lawn chairs, sleeping bag, Chianti, strip steak, and a pad & pencil. The gag order will be in affect for during the meeting - any body who disrupts the meeting inappropriately, they will be fined \$5 (per incident) monies will go to the unit "kitty". **ALWAYS REMEMBER THAT WE ARE THE DISPLAY NOT STUFF! AND. . . .**
"Minor opus, magis fun!" - LESS WORK - MORE FUN!

ROOSTER's REVIEW: RISE & SHINE SLUGS!

The next event is in Easton where we are "testing the waters" and "showing them what the 9ths all about!" It is a mini-timeline event at Chee Chee Burger (see details under events), we will be on the side walk so we can not strike camp, please plan accordingly and minimally if you are bringing extra "props". We will be given lunch on Saturday, and Sunday is just a partial day for those who can make it. We need guys to the 9th as so far nobody is doing our impression! Lou is Rev. War, Sami is Civil War, I will be doing WWI, Trooper is Airborne, BunYON is Armored... If this goes well it will set the stage or a potential HSW type event the 1st weekend in June! Please direct any questions to me as I am the event coordinator, thanks and. . . AT Ease!

The Corporal's Corner

By Corp.'s Bergin & Barebo

We have more new people in the ranks MAKE SURE YOU KNOW OUR MARCHING CADENCES! See below, belt these out like you gotta pair when we do them!

INTERVALS - watch your spacing between you and the next guy when marching and forming up in line. We have enough members that we will be forming two columns on occasion.

Marching is NOT STOMPING, it never has been and never will be. Yes, we like to hear our movements in unison but that does not mean accentuate movements so they can be heard! When we march/drill for the public the steps we take ARE NO DIFFERENT than when we are marching/moving to the battlefield.

JODIE

Ya had a good home and ya LEFT (you're Right)
 Your baby was there when ya LEFT (you're Right)
 Jodie was there when ya LEFT (you're Right)
 Sound Off (1, 2...)* Sound Off (3, 4...)
 Cadence Count (1, 2, 3, 4, 1, 2 ... 3 -4!)
 They shined you up for the length of the war
 (ya never had it so good before)
 The best you'll get in a bivouac
 (is a whiff of cologne from a passing WAC)
 Sound Off (repeat above)*
 Your baby was lonely as lonely could be
 (til Jodie provided company)
 Ain't it great to have a pal
 (who works so hard to keep up morale)
 Sound Off (repeat above)*
 There ain't no use in going back
 (cause Jodie's living in yer shack)
 Jodie got somethin' that you ain't got
 (it's been so long, I nearly forgot)
 Sound Off (repeat above)*
 You ain't got nothin' to worry about
 (she'll keep him company 'til I get out)
 And you won't get out till the end of the war
 (in nineteen hundred and seventy four)

THE INFANTRY

The Infantry, the Infantry, they drink up all the beers
 The Infantry, the Infantry with dirt behind their ears,
 The Cavalry, the Air Corp, the Corps of Engineers,
 Couldn't lick the Infantry in a hundred thousand years!

WHAT DO WE DO IN THE INFANTRY

What do we do in the Infantry?
(We march, we march, we march!)
 What do we do in the Infantry?
(We fight, we fight, we fight!)
 What do we do in the Devil's Den?
(We drink, we drink, we drink!)

BOX ME UP

Uncle Sam got a home for me,
 So he sent me off to the Infantry
 Drill Sgt. said I'd have some fun
 Polishin' my boots and shootin' my gun
 1,2... (3,4) 1,2... (3,4)
 All day long I salute the brass,
 Even on a three-day pass
 Ain't no use to gripe or bitch
 Tomorrow they'll have you diggin' a ditch
 1,2... (3,4) 1,2... (3,4)
 I wish I wore them wings instead
 Cause then I'd be sleepin' in a bed
 Coulda been on a ship at sea
 If I'd only joined, the Navy
 1,2... (3,4) 1,2... (3,4)
